

JolaCalls

JolaCalls is our range of SIP trunks, telephone lines, ISDN, SIP and PSTN calls.

SIP trunks

SIP trunks are designed for existing on premise telephone systems to enable VoIP calls where upgrading to a cloud telephone system is not an option.

Features	Potential Benefits
Route calls over the internet instead of the Public Switched Telephone Network	Save on your phone bill with inclusive UK landline and UK mobile calls on a 36 month contract.
Replace ISDN lines with channels connected to an IP (Internet Protocol) network	A SIP trunk is approximately half the monthly rental of an ISDN channel

Telephone Lines

We offer Standard, Standard Plus and Premium telephone lines for making traditional phone calls and to run broadband connections such as ADSL2+ and Fibre Broadband.

Features	Potential Benefits
Phone line with a range of business care packages	Use for traditional telephony or dedicate to data services with faults fixed within 2 working days or next working day.
Remote call forwarding	Available on the Premium package which also allows you to book a specific time for installations.

or visit www.jola.co.uk

ISDN

ISDN channels are for connecting traditional on premise telephone systems to the PSTN when broadband is not available.

Features	Potential Benefits
No call connection fees or minimum call charges.	Pay for the calls you make
Free transfers, no service disruption	No downtime and no need to change your numbers.
Direct Dial In numbering	Staff can be contacted directly via DDIs.
Always-on service	Fast, secure communications 24/7/365.

PSTN and SIP call charges

We offer competitive per minute rates for calls out-of-bundle, charged by the second over PSTN and SIP.

Features	Potential Benefits
Low call costs	Make big savings on your UK and international landline and mobile calls.
Works alongside your phone system	Get the benefits of lower call costs without changing your phone system

Auxiliary services

Jola offers all the auxiliary services of a Wholesale Line Rental (WLR) supplier, contact us to discuss your requirements.
